# 2027 Nurse Associate Externship

Because teamwork and learning go hand-in-hand

## Your experience as a Nurse Associate Extern

Cleveland Clinic Martin Health and Weston Hospitals are committed to shaping the future of healthcare by providing nurses with the resources they need to learn, grow and reach their potential. Your 10-week externship will include working one-on-one with a nurse Mentor, as well as time with fellow externs in workshops.

Ideal candidates will be purpose-driven individuals who thrive on hard work and are committed to giving their best every day to make a meaningful difference in the lives of others. Student applicants must be currently enrolled in an accredited nursing school (ADN, BSN or BSN/MN program) and entering their last year or semester upon completion of their externship. Candidates must hold Basic Life Support certification through the American Heart Association or the American Red Cross for the duration of the program.

In 2027, the program is available: **June 7-August 14.**

Applications are being accepted beginning November 2, 2026

Cleveland Clinic is pleased to be an Equal Opportunity Employer
