Mercy | South Pointe | Union | Administrative Campuses | Ambulatory Care Clinics | Community Pharmacies

Cleveland Clinic is a nonprofit, multispecialty academic medical center that integrates clinical and hospital care with research and education. Cleveland Clinic was founded in 1921 by four renowned physicians with a vision of providing outstanding patient care based upon the principles of cooperation, compassion, and innovation. Today, Cleveland Clinic is one of the largest and most respected hospital in the country.

Cleveland Clinic is a 6,728-bed health system that includes a 173-acre main campus near downtown Cleveland, 23 hospitals, 280 outpatient facilities, including locations in northeast Ohio; Florida; Las Vegas, Nevada; Toronto, Canada; Abu Dhabi, UAE; and London, England. The pharmacy department has over 1,500 pharmacy employees, 21 ambulatory pharmacies, and significant inpatient and outpatient clinical services. We offer several PGY-1 and PGY-2 pharmacy residency programs and over 45 types of Advanced Pharmacy Practice Experiences across the Cleveland Clinic enterprise.

+Also available with focus in Pediatrics
++Also available with focus in Antimicrobial Stewardship
+++Also available with focus in various areas such as Ambulatory Care, Cardiology, Community Pharmacy, Critical Care, Inpatient Operations, Oncology, or Pediatrics

Department of Pharmacy

The Department of Pharmacy mission is to be one pharmacy community: serving patients, advancing practice, and investing in caregivers. The vision is to be the best place to receive and provide pharmacy care.

Cleveland Clinic Health System

Students have the opportunity to complete rotations at any of the hospitals in the health system, ambulatory pharmacies, and patient care clinics. Our Ambulatory Pharmacies are owned by Cleveland Clinic, and they provide dispensing services, medication therapy management (MTM), and bedside delivery. Patients are seen daily in Patient Care Clinics for multiple services, including anticoagulation and diabetes management. Our Patient Care Clinics are located on hospital sites and in Family Health Centers throughout the community.

Akron General

- 532-bed tertiary care, academic medical center
- Specialty services in: cardiology, endocrinology, gastroenterology, general medicine, geriatrics, hematology and oncology, level I trauma care, maternity care, nephrology, orthopedics, pain management, and pulmonology

Avon Hospital

- 126-private bed hospital
- Specialty services in: cardiology, emergency medicine, endocrinology, gastroenterology, general medicine, general surgery, gynecology, infectious disease, nephrology, ophthalmology, orthopedics, palliative care, pulmonology, and urology

Euclid Hospital

- 166-bed acute care facility with a 40-bed skilled nursing unit
- Specialty services in: chronic care, congestive heart failure, emergency medicine, occupational and speech therapy, orthopedics, physical rehabilitation, primary care, and senior behavioral health

Fairview Hospital

- 488-bed acute care community teaching hospital
- Specialty services in: comprehensive cardiovascular care, comprehensive obstetric care, hematology and oncology, level II trauma care, level III neonatology care, nephrology, neurology, pain management, pediatrics, stroke care, surgery, and urology

Hillcrest Hospital

- Full-service, 496-bed hospital
- Specialty services in: comprehensive cardiovascular care, digestive health, hematology and oncology, level III neonatology care, level II trauma care, maternity care, pain management, and surgery

Lutheran Hospital

- 203-bed acute care facility
- Specialty services in: alcohol and drug recovery, behavioral health, emergency medicine, mood disorders, orthopedics, outpatient oncology, pain management, primary care, urology, and wound healing

Miscellaneous Information

Housing is not provided by Cleveland Clinic, but the Student Housing Program can provide assistance for housing arrangements. Parking is assigned on the first day of rotation at no charge for all Cleveland Clinic locations.

Students will have the opportunity to attend multiple education conferences and will have access to electronic medical records, multiple drug information references, and the medical library. Each hospital has a full-service cafeteria.

For more information, please refer refer to the detailed offerings page or visit our website: **https://my.clevelandclinic.org/departments/pharmacy**

Main Campus

- 1,610-bed academic medical center
- Specialty services in: dermatology and plastic surgery, digestive disease, emergency medicine, endocrinology and metabolism, genomic medicine, head and neck, heart and vascular medicine, hematology and oncology, neurology, ophthalmology, orthopedics, pediatrics, respiratory medicine, rheumatology, and urology

Marymount Hospital

- 269-bed acute care community hospital with a 62-bed behavioral health center
- Specialty services in: behavioral health, cardiology, emergency medicine, orthopedics, stroke care, and surgery

Medina Hospital

- 148-bed acute care facility
- Specialty services in: emergency medicine, general surgery, infectious disease, nephrology, orthopedics, pulmonology, stroke care, and wound healing

Mentor Hospital

- 34-bed hospital
- Specialty services in: bariatrics, cardiology, emergency medicine, gastroenterology, orthopedics, pulmonary, sports medicine, urology, and vascular medicine

Mercy Hospital

- 476-bed acute care hospital with Level II Trauma Center services
- Specialty services in: cardiovascular care, emergency medicine, general surgery, hematology and oncology, obstetrics, occupational and speech therapy, orthopedics, pain management, physical rehabilitation, rheumatology, stroke, urology, vascular medicine, and wound care

Student Housing Program

If you'll be visiting Cleveland Clinic for less than a year, please let us help arrange your short-term housing. We've vetted several housing options and negotiated a student rate for each.

Most of the housing options are fully furnished, and many are within a short car or public transportation ride to Cleveland Clinic's main campus. Some have en suite washers, dryers, fitness centers, and free use of computers and printers.

The prices vary depending on the unit size and location, availability, and your willingness to share common living spaces and bathrooms. Some establishments may charge an additional fee for utilities and certain amenities, such as Wi-Fi, garage parking, and linens.

Tips

- To save money, consider shared housing.
- By using our service, you'll pay less. The price you pay reflects a discounted student rate from the vendor.
- Need a roommate? We can help match you with another student looking to share housing.
